HAQRI

TRULY ELEGANT DESIGN

HAQRI is featuring
a stylish textile
fabric cover

A modern living room interior with a beige sofa, a dark metal side table, and a long wooden shelf on the wall. The room is lit with warm, ambient light, creating a cozy atmosphere. The text "LET YOUR STYLE BE YOUR GUIDE" is overlaid on the right side of the image.

TREAT YOURSELF TO JAPANESE QUALITY

HAORI

Design and reliability

Innovation, efficiency, high reliability, energy savings, respect for the environment. These powerful values are at the heart of everything we do at Toshiba.

For over 50 years, Toshiba has been providing its clients with the guaranteed precision and expertise of flawless Japanese quality.

Toshiba's innovative inverter technology

Toshiba's innovative rotary compressor technology combines exemplary performance with outstanding reliability. Minimising fluctuations to ensure a constant temperature, it increases efficiency while eliminating the risk of incidental noise.

Toshiba, Inverter Technology allows the HAORI to regulate heating and cooling capacity at all times, by adjusting the compressor speed to demand.

TOSHIBA MAGIC COIL

Always as clean as
new

SOLUTION WELL-BEING

This intuitive remote-controller includes impressive functions: Power select and ECO modes to reduce energy bills and a Hi-power mode for rapid cooling or heating.

Toshiba HAORI remote control features a magnetic wall-mounted holder.
